15 December	Year 6 Leavers' Dinner
16 December	Last Day of Term 4 (12.45pm finish)

Term 4 is a busy term so please keep up to date with school newsletters and our Facebook notifications for more information about events.

Tips:

It can be tricky to find out what your child has done each day. Some questions you could ask to encourage this conversation could include:

- What was your favourite thing about today?
- What is something you are proud of today?

What to bring to school:

- Water bottle (named)
- Change of clothes and a bag to contain wet/muddy items
- Lunch box - enough food for three eating times (snack, morning tea, lunch).
- Book bags

Special items and toys are best left at home please!

Hats

Term 4 is a hat term. Please support your child to bring a named hat to school each day for our Summer term.

From next week children without hats will need to remain under the shaded area next to the office during outside breaks.

Thank you for your support in ensuring our tamriki (children) keep 'sun safe' here at school.

Lost property & Clothing

If you are looking for lost items of clothing there are two places where lost property may be found:

- The class lost property box, located by the door as you come in.
- The lost property table in the hallway by the gym.

PLEASE NAME ALL JACKETS AND JERSEYS

Our story focus this term is ... Jack and the Beanstalk

Through our story focus this term we will be exploring physics concepts, such as movement, forces, sound waves and heat. We will look at these in detail and describe patterns in physical phenomena.

We will also be exploring technological practices, knowledge and the nature of technology, through ideas such as building structures.

Email: Please feel free to come and see us in the Kererū Tahi Learning Community if you have any queries or just want to say hello! We are also able to be contacted via email as follows:
