Our story focus this term is ... Awongalema

An African folktale about the magical Awongalema tree.

Our Tamariki will be learning about the African Savannah and its amazing animals.

The key message in this story is:

'Taking your time and staying focussed can be the key to success'

Ideas to support learning at home...

Find Africa and other countries your whānau connect with on a world map

Visit the library or google about animals and their habitats.

Draw and write about some of your favourite animals

Matariki

Later on this term, another big learning focus will be Matariki. The celebration of the Māori New Year. A highlight for our kura (school) during this time is our annual Matariki window displays, with the opportunity to visit for a night walk and view the beautifully lit up 'star' displays
