Supporting learning at home

ART- Poppies:
 We've seen teddy bears in windows, and now Easter eggs, why not poppies next to mark ANZAC day? Ideas for things you may have at home to create poppies with:

- Felt pens / coloured pencils / paint, Crepe paper, Plastic bottles, Cupcake cases...

Hang them in your window, by your front door, or on your fence or lawn for people to see when they're out walking.

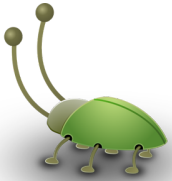

COMMUNITY-MINDED

Can you help with chores at home? Do you clear your plate from the table? Could you do it for others? Can you set the table? What about separating the colours and whites for the washing?

SCIENCE

Go on a bug hunt. Talk about what you find. Look up a fact about them.

MATHS

Teddy Bear Counting
 Help Teddy with his counting
